

Transformation in Progress

Mather Place of Wilmette is in the midst of an exciting transformation. We've just completed a spectacular renovation of amenity areas, which will be followed by an expansion of the building to include new one- and two-bedroom apartment homes and additional amenity areas.

Residents are already enjoying lovely new spaces filled with natural light:

- a well-stocked library—with a cozy fireplace, reading materials, computers, and comfy places to relax with a newspaper or a good book
- Alonzo's restaurant, offering hearty, healthy, and fresh fare
- the Reel Room, a movie theater with comfortable seating and a theater-quality sound system
- an expansive fitness center with cardiovascular and strength training equipment, as well as an exercise studio for classes or group instruction
- the Cotton Spa, offering salon services, manicures, pedicures, facials, massages, and other treatments
- Possibilities, an expanded meeting area for group presentations, meetings, parties, and other get-togethers
- Palettes, an art studio where residents can pursue painting, drawing, or other creative arts
- a billiards room to be enjoyed by both seasoned players and those new to the game
- private spaces for personal entertainment and family gatherings and celebrations
- the Fairfield Room, a gathering space where residents can meet up with friends

Our expansion will add new apartment homes—scheduled for completion in summer 2016—and more resident spaces, including a second restaurant and an indoor swimming pool!

We are currently 100% leased and are now accepting reservations for summer 2016 occupancy of new apartments. **Don't miss this opportunity to enjoy the many lifestyle perks that are included in the simple monthly fee at Mather Place of Wilmette!**
