A Unique Lifestyle Residence

The heart of the North Shore

You've built an extraordinary life—and after years of hard work you've earned the right to enjoy it. At Mather Place, a unique lifestyle residence in Wilmette, Illinois, for those 62 and better, the life you've built continues, but in a worry-free way that lets you focus on what's most important to you.

Enjoy the changing seasons without shoveling snow, raking leaves, or cutting grass. Once you've freed yourself from the chores and the upkeep you can reinvest yourself in what really matters: friends, family, and the many things you love most about life. The only thing you'll regret is not having moved here sooner.

A Well-Deserved Lifestyle

Stress a little less, explore a little more

At Mather Place, the many familiar burdens of running a household are completely taken care of: housekeeping, repairs, maintenance, and more. You've worried about those things long enough. Now you can fill your days exploring all the North Shore has to offer—a variety of restaurants, Westfield Old Orchard shopping mall, beautiful gardens and parks, the North Shore Center for the Performing Arts, and the tranquility of nearby Lake Michigan.

With the routine details of everyday life covered, all you have to do is decide what's next.

Repriorment™ Living

Delight in the day-to-day

Go ahead—structure your time in the way you like to make every day extraordinary. At Mather Place, we call it **Repriorment™**—not retirement. It means discovering the joy of new directions, and having the time to focus on the things that matter most to you. It means doing the things you *want* to do, not just the things you *have* to do.

Mather Place offers many ways to *Reprior*, from catching up on a movie in our Reel Room to inviting friends in for lunch or a game of bridge.

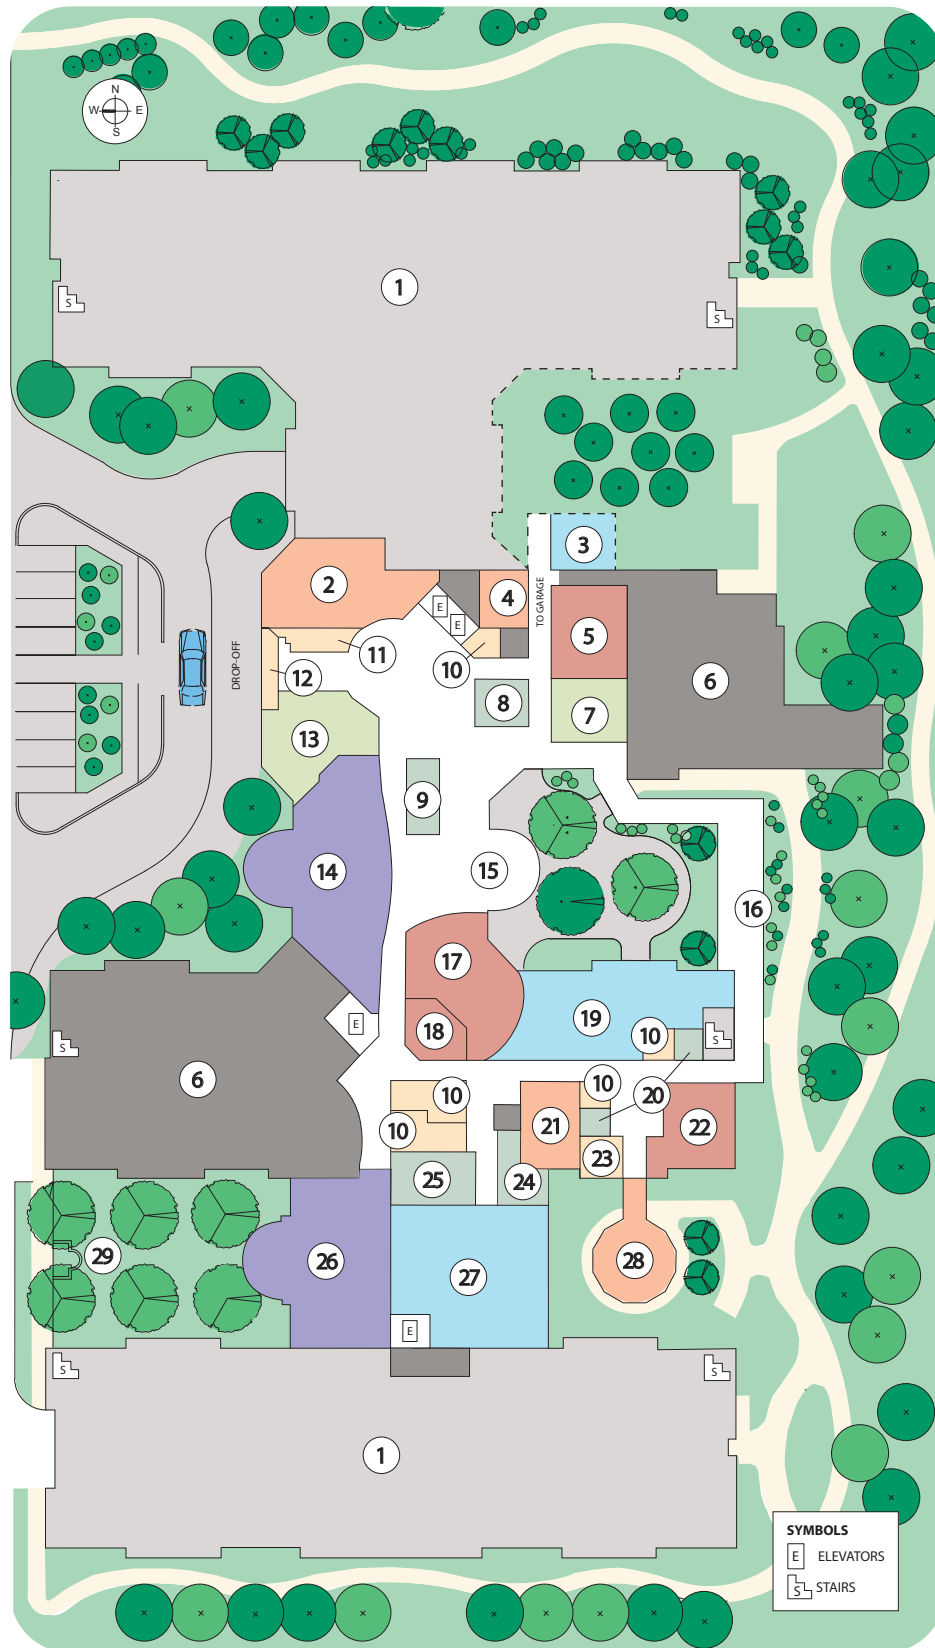

Amenities & Restaurants

Uncommon spaces

At Mather Place, there are so many things to explore and discover. Our community features a cozy library, indoor pool, art studio, and beautiful gardens that will take you to where you're simply in the moment. Take a dip, dip a brush, or just breathe in the joy of living your life, your way.

Each day is highlighted by culinary experiences that go beyond the expected. Our restaurants, Patent's Place and Alonzo's, will delight you with daily and seasonal specialties such as roasted rack of lamb, fresh grilled salmon, and pasta fresca. And our delectable desserts will satisfy your sweet tooth. A Mather LifeWays Residence

Who is Mather LifeWays?

Mather LifeWays is a unique, non-denominational not-for-profit organization that was founded more than 75 years ago. Dedicated to developing and implementing Ways to Age WellSM, we create programs, places, and residences for today's young-at-heart older adults.

Our founder, Alonzo Mather, was more than a successful entrepreneur—he was a well-regarded humanitarian. From building what was once the tallest skyscraper in Chicago, to inventing the first humane freight car for livestock, to funding one of the first Continuing Care Retirement Communities (now called Life Plan Communities) in the nation, his past fuels our future. Mather LifeWays is headquartered in Evanston, Illinois. To learn more, find your way to matherlifeways.com.
