

May 8, 2020

Dear Residents and Family Members,

I hope you have enjoyed some fresh air this week. It has been great to see everyone again.

I'm happy to report that **Mather Place has had no new resident or employee COVID-19 cases.**

There is one brief update:

- Temperature checks: Many residents have expressed interest in ongoing temperature checks. **Mather Place will continue offering temperature checks twice per week, on Tuesdays and Thursdays.** We encourage you to continue to self-monitor your own temperature. **If you are not feeling well and would like your temperature taken, please contact our Wellness Nurse, Liseth Apostol, at (847) 256.9582.**

Mather Place remains committed to proactive and transparent communication regarding actions and plans relating to COVID-19, and we'll continue to update residents and family members weekly, or when we have news to share, including any new confirmed cases of COVID-19 in our community.

To all the moms in our community: Happy Mother's Day! I hope you have a chance to connect with those you love and enjoy some special moments on your day.

For questions, please call (847) 256.9585 or email bewell@matherplacewilmette.com.

Take care and stay well,

Katrina O'Neill
Executive Director

COVID-19 SYMTOMS

If you are experiencing any of the following symptoms, you should contact your physician for guidance, stay in your home, and notify the Concierge at (847) 256.9300. Symptoms include a loss of taste or smell, cough, fever, sore throat, shortness of breath, and gastrointestinal issues such as diarrhea, nausea, or vomiting. **Newer symptoms recently added include headache, chills, and muscle pain.** Please note that pink eye, eye pain, or vertigo, as well as discoloration of the toes may also be COVID-19 symptoms.
