Dear Residents,

We have no new cases of the Coronavirus disease (COVID-19) at Mather Place. Below are some updates for our community:

EXCITING NEWS: INDOOR DINING!

We are pleased to announce that Alonzo's restaurant will be open for indoor dining **starting Tuesday, September 1.** We'll be offering all-day dining with limited seating capacity. Meal delivery and al fresco dining will continue to be available.

Please note that reservations are required for breakfast, lunch, and dinner in Alonzo's. To make a reservation, call **(847) 256.9576.**

Note that Mather Place will be following new Illinois guidelines requiring people wear masks while interacting with Culinary staff (such as when placing your order and while being served). This applies to indoor and outdoor dining.

WAYS TO CONNECT AND ENGAGE

Mather Place is delighted to offer programs, services, and opportunities to support you and your lifestyle. We encourage you to take a walk, join a class, or have dinner in the courtyard. - **Gather with other residents and family members.**
 - Meet with your Mather Place neighbors within the community (The Fairfield Room, The Gateway Gallery, and the Gazebo), as well as outdoors.
 - Family members can visit on Burnham's Patio with reservations (2 visitors per household); and you are welcome to attend small-group gatherings with family outdoors, outside of our community.
- **Participate in in-person small-group programs and events,** including outdoor live music, Meditation, Gentle Moves, outdoor Art Lab, and more. Virtual programs also continue.
- **Enjoy a swim** in the pool (by reservation).
