

COVID-19 UPDATE

November 25, 2020

Dear Residents and Family Members,

In addition to our notice on November 23 in which we reported a positive confirmed case of COVID-19, we received notice today we have a **second employee who has tested positive for COVID-19, who has not been on Mather Place property since November 7 (more than 14 days)**. This employee is recovering at home and following guidance from their physician. Mather is interviewing these individuals to determine if either of them was in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

THANKSGIVING HOLIDAY

We know that Thanksgiving is tomorrow and gathering is a tradition. For your safety and that of your family and friends, we strongly encourage you to partake in the Thanksgiving holiday virtually with your loved ones. Group gatherings continue to be one of the highest risk areas for the spread of COVID-19.

BE VIGILANT— PRACTICE THE THREE WS:

WEAR A MASK: Keep your nose and mouth covered.

WASH YOUR HANDS OFTEN: Use soap and water for at least 20 seconds, or use an alcohol-based sanitizer.

WATCH YOUR DISTANCE: Keep at least 6 feet of space between yourself and others.

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: This letter is being shared with all residents' current emergency contacts.
