

COVID-19 UPDATE

May 12, 2021

Dear Employees of Mather Place,

We received notice today, May 12, 2021, that a **private caregiver of Mather Place in Wilmette tested positive for COVID-19**. We wish them a full recovery. This individual was interviewed to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

VACCINATION OPPORTUNITY: THURSDAY, MAY 27

There is an upcoming opportunity for employees or caregivers who would like to be vaccinated at The Mather in Evanston. If you are interested, please contact Gretchen Boscarino at gboscarino@mather.com to obtain a VAR form. **The deadline to sign up is Monday, May 17.**

Regardless of your vaccination status, it's important to continue to practice strong infection control measures such as practicing physical distancing and good hand hygiene by washing your hands frequently.

Take care and be well.

Sincerely,

Katrina O'Neill
