

June 11, 2021

Dear Residents and Family Members,

Like you and the rest of our greater community, we're delighted to see people reconnecting with their family and friends, enjoying restaurants, and more. Some of us need some time to adjust to the new normal, and may continue to take some precautions—and that's fine!

As of today, the State of Illinois has lifted all restrictions related to COVID-19. What does that mean for us at Mather Place?

MASKS & MORE:

Vaccinated residents and guests are no longer required to wear a mask or face covering in any indoor spaces in the community. This includes Get Fit and Alonzo's.

Note that reservations are no longer needed for Get Fit. Get Fit is open daily, and staff are available to assist you Monday through Friday from 7:30 a.m. to 3:30 p.m.

We'll continue to screen guests and other visitors upon arrival. **Unvaccinated individuals, including guests, are still required to wear a mask or face covering.**

Note that due to our temporarily limited operational capacity, dining in Alonzo's is limited to residents. Once we re-open Patent's Place, we'll welcome vaccinated guests.

Please remember that not everyone wearing a mask is unvaccinated. Some people may prefer to continue taking precautions even after they're vaccinated. This is a personal decision based on individual comfort level, and should be respected.

We'd like to remind you that Mather has made the decision to require employees to be vaccinated as of mid-June. Soon, we will be a mostly vaccinated community!

And finally, we'd like to mention how proud we are of our employees, who navigated a difficult year with courage and compassion. We are so grateful to them, and to you all for your support and resilience throughout the pandemic.

Take care and be well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
