

COVID-19 UPDATE

December 30, 2021

Dear Employees of Mather Place,

We know these are trying times, when each of us is juggling holiday plans while keeping an eye on the rise in COVID-19 cases. We want to keep everyone at Mather Place as safe and healthy as possible during the current surge. Therefore, we're making a few temporary adjustments for the month of January.

COMMUNITY UPDATES EFFECTIVE MONDAY, JANUARY 3:

- Residents' family and friends are welcome at Mather Place, and **can visit with them inside apartment homes**. During January, our restaurants, Get Fit, and all amenity spaces will be for residents only. (Residents can order to-go meals for their guests and enjoy them in an apartment home.)
- **Food and beverages will be offered in the restaurants only** and will not be available in other amenity spaces, with the exception of select socially distant programs.
- **We'll continue to have in-person programing**. However, larger gatherings, such as the Resident Council, will occur virtually for now.

COVID-19 SYMPTOMS:

If you experience any symptoms, including a loss of taste or smell, cough, fever, chills, muscle pain, headache, sore throat, shortness of breath, pink eye, eye pain, vertigo, and gastrointestinal issues such as diarrhea, nausea, or vomiting, **please immediately reach out to your physician and notify your manager or your HR representative**.

IF YOU HAVE SYMPTOMS OR HAVE BEEN EXPOSED TO COVID-19:

If you feel ill, have been exposed to an individual who has tested positive for COVID-19, or have tested positive—please stay home and immediately contact your HR representative.

Finally, when out in the larger community, please note that the Centers for Disease Control (CDC) is recommending that **people wear well-fitted surgical masks vs cloth masks** for best protection against COVID-19. Please continue to practice good hand hygiene, keep a safe distance when in public, and avoid large gatherings.

Thank you for all you're doing to help us reduce risks of COVID-19 at Mather Place. We're truly all in this together, and we appreciate your support.

Wishing you and your families a happy and healthy New Year.

Sincerely,

Katrina O'Neill
Executive Director
