

COVID-19 UPDATE

January 13, 2022

Dear Residents and Family Members,

Please note that we received notice today that **a resident of Mather Place in Wilmette has a confirmed positive case of COVID-19**. We wish them a full recovery.

Mather Place is interviewing this individual to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

MEALS AVAILABLE TO-GO ONLY:

Beginning tomorrow, we will move all meal service to carryout only. In order to reduce the risks of spreading COVID-19, our restaurants will be closed Friday, January 14 through Friday, January 21. Residents are welcome to order breakfast, lunch, and dinner to-go during these days, using our regular process:

- Complete the next-day menu for all meals using the forms in the Fairfield Room.
- When ready, meals can be picked up in Generations.

Residents who are not feeling well can request delivery at no charge.

PLEASE WEAR A FACE MASK:

Our other amenity areas are still open to residents. When out and about in the community, please wear a good-quality face mask that covers your nose and mouth, and stay physically distanced (six feet away) from others.

OUR COMMITMENT:

We're committed to keeping residents and staff healthy, and believe our collective efforts are the most effective way to minimize the number of cases. Thank you for all you're doing to keep our community safe!

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
