

COVID-19 UPDATE

January 8, 2022

Dear Residents and Family Members,

Please note that we received notice today that **an employee of Mather Place in Wilmette has a confirmed positive case of COVID-19**. We wish them a full recovery.

Mather Place is interviewing this individual to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

WHAT YOU CAN DO:

The two most effective steps you can take to help control the surge of COVID-19 in our community are:

- 1. Stay home if you feel sick, even if you have mild, cold-like symptoms.**
- 2. Wear a face mask at all times when you are outside your apartment home.**

In addition, please continue to

- **Practice good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.
- **Physically distance** from others (no closer than 6 feet away for no more than 15 minutes).
- **Wear a good-quality face mask** that covers your mouth and nose any time you are indoors in public. A surgical mask is recommended over cloth masks.
- **Avoid large gatherings.**

COVID-19 SYMPTOMS

Symptoms of COVID-19 include a loss of taste or smell, cough, fever, chills, muscle pain, headache, sore throat, shortness of breath, pink eye, eye pain, vertigo, and gastrointestinal issues such as diarrhea, nausea, or vomiting.

If you think you have COVID-19, please contact your physician, quarantine in your apartment home, and inform the Concierge at (847) 256.9300.

Take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
