

# COVID-19 UPDATE

August 10, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **an employee has tested positive for COVID-19**. We wish this individual a speedy recovery.

Mather Place is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **FACE MASKS ARE HIGHLY RECOMMENDED:**

The current variant of COVID-19 is BA-5, which is highly transmissible. A good-quality face mask is the most effective way to avoid infection.

- **Reminder: everyone is required to wear a mask in all hallways, elevators, and amenity areas of Mather Place.**
- **We also strongly recommend that you wear a mask everywhere you are indoors around others.**

Please take care and stay well.

Sincerely,

Katrina O'Neill  
Executive Director

*PS: Please note that this letter is being shared with all residents' current emergency contacts.*
