

# COVID-19 UPDATE

September 19, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **four residents have tested positive for COVID-19**. We wish these individuals a speedy recovery.

Mather Place is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **PLEASE PROTECT YOURSELF:**

Please continue with the COVID-19 infection control precautions we have been using over the last two years.

- Wash your hands often. [When and How to Wash Your Hands | Handwashing | CDC](#).
- Wear a well-fitting face mask when you are out of your apartment home.
- Maintain 6 feet of distance from others during this outbreak.
- Stay in your apartment home if you have symptoms of COVID-19 ([Symptoms of COVID-19 | CDC](#)), contact your health care provider, and let the Concierge know.

## **BOOSTER & FLU SHOT CLINIC COMING IN OCTOBER:**

We will offer an on-site clinic for both flu vaccines and for the latest COVID-19 booster (which protects against current variants) on Thursday, October 20. Symbria Pharmacy will administer the clinic.

**Please do not wait for this clinic if you are able to obtain a COVID-19 booster before then.** Contact your local pharmacy to check for availability and appointments.

If you'd like to sign up for either the latest COVID-19 booster or your annual flu shot, appointments are available between 9:00 a.m. and 3:00 p.m. on October 20th. Please pick up a consent form at the Concierge desk. We ask that all completed forms be submitted to the Concierge no later than October 3.

Please take care and stay well.

Sincerely,

Gretchen Boscarino  
Director of Repriorment Services

*PS: Please note that this letter is being shared with all residents' current emergency contacts.*
