

COVID-19 UPDATE

September 20, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **three residents and one private caregiver have tested positive for COVID-19. These are new cases and not previously reported.** We wish these individuals a speedy recovery.

Mather Place is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

RESTAURANT SERVICE IS PAUSED:

As you may know, we have recently experienced several positive cases of COVID-19 at Mather Place. Due to these additional cases, **we are implementing the following changes through Friday, September 23.** We will update you if anything changes.

- **We will pause service in Alonzo's and Patent's Place restaurants.** If we have no additional COVID cases, we will reopen on Saturday, September 24. **Residents who have not tested positive for COVID-19 may pick up all meals in Alonzo's.**
- All programs will continue as scheduled.
- Housekeeping will be focused on cleaning and disinfecting high-touch surfaces throughout our community. **Housekeeping in apartment homes will continue on schedule, but we ask that residents vacate their home or remain masked in another room while their apartment is being serviced.**

PLEASE PROTECT YOURSELF:

Please continue with the COVID-19 infection control precautions we have been using over the last two years:

- Wash your hands often. [When and How to Wash Your Hands | Handwashing | CDC.](#)
- Wear a well-fitting face mask when you are out of your apartment home. **As a reminder, guests and visitors are also required to wear masks while inside community spaces.**
- Maintain 6 feet of distance from others during this outbreak.
- Stay in your apartment home if you have symptoms of COVID-19 ([Symptoms of COVID-19 | CDC](#)), contact your health care provider, and let the Concierge know.

Our primary concern is for the health and well-being of residents and employees. Please feel free to contact me with any questions.

Sincerely,

Gretchen Boscarino, Director of Repriorment Services

PS: Please note that this letter is being shared with all residents' current emergency contacts.
